PANNA®

Embroidery kits

CATALOGUE 2021/1

WWW.PANNA-STITCH.COM

PANNA is one of the leading Russian brands on manufacturing embroidery kits. The assortment is presented with kits including different types of techniques: counted cross stitch, ribbon embroidery, bead embroidery, longstitch, latch hook embroidery. The kits have different difficulty levels: from easy embroidery for beginner crafters to great works for experienced ones. The price range varies from low to high. In the assortment there are more than 1200 unique designs developed by professional designers and artists. All the kits go through a multi-level control of the quality before production, and they have plenty of the materials: stranded cotton, canvas, needle, instructions, chart and additional materials depending on a kit.

The Russian trademark Klart releases embroidery kits in cross-stitch, bead and «velvet stitch» techniques. The distinguishing features of embroidery kits Klart are a small size, full content (detailed instructions, a chart, canvas, a needle, and stranded cotton/seed bead) and reasonable price. It makes the trademark very sought-after for children's creativity and beginner crafts.

Velvet stitch is a unique technique which is made with a special stick included in the kit. Using this technique, the stitches are made as loops which make embroidery voluminous. For a change, you can cut the resulting loops – you will have the effect of a voluminous pile that gives the embroidery a special realism! There are 7 designs in the assortment.
